Dear Parents,

Our finance committee has had the difficult task of determining tuition. St Joseph School still has one of the lowest tuition in our area. We still have **NOT** added any extra fees to our tuition. Other than St. Barbara's in Massillon, every other school in our area has to pay fees anywhere from \$20.00 to \$140.00 plus their tuition cost. Your cost for a private Catholic school education is certainly less than what the per pupil cost is. Our per pupil cost is \$6,000 **per** child. From this you can see how much St. Joseph Parish and its organizations (Men's Club, Home and School, School Fundraisers, Race for Education, etc.) do for our budget. **To get the lower tuition cost, payment in full must be made by August 1, 2011 to the rectory.**

Tuition aid is available through the Financial Assistance application, which comes out in January for the following year. After an independent firm evaluates this application, the results are sent to the Diocese of Youngstown. Based on percentage of need, tuition grants are given. After these recipients receive grants, the list is sent to the parish and monies are also distributed through the Burkhardt Funds.
