*Our faith,
our future*

Dear Members of the St. Joseph Parish Family,

Since it was established 116 years ago, St. Joseph Parish continues to be a viable Catholic community fulfilling Christ's purpose and mission. Parishioners have historically shared their time, talents and material resources to make our parish a beacon of Christ's love and service in and beyond our local community. Today we are challenged to honor our past and build on this heritage to assure a strong, viable future for those who will follow us even as we have inherited from those who came before us.

For this reason, we are announcing a much needed capital campaign entitled "Our Faith, Our Future." This campaign will address the costly renovation of the church and hall heating system, replacement of the carpet under the pews that is over 40 years old, resurfacing of the parking lot and a host of other smaller projects that need attention.

A successful campaign helps to guarantee that this and the next generation will continue to live the words of our parish motto: Faith, Worship, Service.

Together in faith, I am confident we can meet this challenge. Bishop Murry has graciously approved our plans and this campaign.

I ask every member of our parish to participate in the campaign by making a sacrificial gift payable over 36 months. Let us place our campaign under the intercession of our blessed patron St. Joseph.

God bless you!

With admiration and affection,

Msgr. Carfagna

Msgr. Frank A. Carfagna, Pastor
